EDUCATION

Ramaiah Institute of Technology, Bangalore

2025-2029

*Bachelor of Engineering
Computer Science & Engineering
CGPA: 9.3*

RELEVANT COURSEWORK

- DSA in JAVA
- Web Development

PROFESSIONAL EXPERIENCE

IEEE RITB, Bangalore

March 2026 - Present

Executive Committee Member

- Part of Computer Society and Web Resources Team
- Created Backend, Schedule Page and Teams Page for Techfest 2026 website

PROJECTS

AI Coding Assistant (Full Stack)

Built an AI-powered coding assistant from scratch enabling users to write, execute, and debug code in real time
Integrated AI using LangChain to provide instant explanations and error resolution
Developed frontend with React and backend using Express.js for seamless interaction
Designed an interactive coding environment to improve developer understanding, not just execution

Social Positive (S+ve) – Social Media Platform

Developed a full-stack social platform with real-time chat and AI-powered interactions
Implemented secure authentication with password hashing and token-based sessions
Built real-time public chat using WebSockets (Socket.io) with live user join/leave events
Designed responsive UI using React and integrated features like posts, feeds, and AI chat

IEEE TechFest Platform (Full Stack Developer)

Contributed to a full-stack event management platform handling registrations and scheduling
Built backend APIs with validation using Zod for type-safe data handling
Developed frontend components including team and schedule pages
Collaborated in a team environment to deliver a scalable event system

SKILLS

Programming languages: Java, C, Python, Javascript

Tools & Technologies: React.js, Node.js, Express, MongoDB, LangChain, Git, Postman

Languages: English, Hindi
