## EDUCATION

---

**Ramaiah Institute of Technology, Bangalore**

**2025-2029**

*Bachelor of Engineering  
Computer Science & Engineering  
CGPA: 9.35*

## RELEVANT COURSEWORK

---

- DSA in JAVA
- Web Development
- GenAI

## PROFESSIONAL EXPERIENCE

---

**IEEE RITB, Bangalore**

**March 2026 - Present**

*Executive Committee Member*

- Part of Computer Society and Web Resources Team
- Created Backend, Schedule Page and Teams Page for IEEE Techfest 2026 website

## PROJECTS

---

### **AI Coding Assistant (Full Stack)**

Built an AI-powered coding assistant from scratch enabling users to write, execute, and debug code in real time, Integrated AI using LangChain to provide instant explanations and error resolution, Developed frontend with React and backend using Express.js for seamless interaction, Designed an interactive coding environment to improve developer understanding, not just execution.

**Repo Link:** [AiPoweredCodeEditor](#)

### **Social Positive (S+ve) – Social Media Platform**

Developed a full-stack social platform with real-time chat and AI-powered interactions, Implemented secure authentication with password hashing and token-based sessions, Built real-time public chat using WebSockets (Socket.io) with live user join/leave events, Designed responsive UI using React and integrated features like posts, feeds, and AI chat

**Live Link:** [S+ve | Social Positive](#)

### **IEEE TechFest Platform (Full Stack Developer)(Major Contributor)**

Contributed to a full-stack event management platform handling registrations and scheduling, Built backend APIs with validation using Zod for type-safe data handling, Developed frontend components including team and schedule pages, Collaborated in a team environment to deliver a scalable event system
